REASONS FOR ALLOWANCE

1. Claims 13 and 14 are allowed.
2. The following is an Examiner's Statement of Reasons for Allowance:

Upon close review of the claims, the prior art of record and applicants remarks that the prior art of record fails to disclose "encoding message information in the vertical blanking interval of an out-going video signal transmitted from a first location, said out-going video signal having a carrier; receiving said out-going video signal; in combination with transmitting a return signal on said carrier of said out-going signal" in the Amendment on page 4 lines 2-7 mailed November 26, 2004, it appears that the allowance of claims 13 and 14 is appropriate.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
